**C** **G** **C C7**  
 I'm wandering round and round nowhere to go  
**F** **G** **C** **C7**  
 I'm lonely in London, London is lovely so  
**F** **G**  
 I cross the streets without fear  
**C** **A7**  
 Everybody keeps the way clear  
**Dm** **G** **C** **C7**  
 I know I know no one here to say hello  
**F** **G**  
 I know they keep the way clear  
**C** **A7**  
 I am lonely in London without fear  
**Dm** **G** **C**  
 I'm wandering round and round here nowhere to go

**C** **G** **C C7**  
 Oh sunday, monday, autumn pass by me  
**F** **G** **C** **C7**  
 And people hurry on so peacefully  
**F** **G**  
 A group approaches a policeman  
**C** **A7**  
 He seems so pleased to please them  
**Dm** **G** **C** **C7**  
 It's good at least to live and I agree  
**F** **G**  
 He seems so pleased at least
